

# Ultimate Terrain Europe Patch For Aerosoft's Belearan-Gibraltar Product

## Overview

Aerosoft's Belearan-Gibraltar product is actually a combination of 4 previously released standalone products.

Because these products are still available as standalone products, there is no specific UT Europe patch for Belearan-Gibraltar. Instead, you will download and apply the patches for the 4 regions making up Belearan-Gibraltar.

You will want to download and install the following 4 patches to patch Belearan-Gibraltar for best use with UT Europe:

- [Gibraltar Scenery](#)
- [Ibiza-Formentera Scenery](#)
- [Menorca Scenery](#)
- [Mallorca Scenery](#)
